

IDSafeChoice Club Consent Form

No one can completely prevent identity theft - but with the right help, you can recover from it. The IDSafeChoice Club Program is being made available to our accountholders at the affordable rate of only \$1.08 per month! For this low price, should you become, or suspect you have become a victim of Identity theft, you'll receive professional, fully-managed, recovery services, including:

- * Services for you, your spouse, your dependants under 25, and your parents living with you, or in a nursing home, hospice, assisted living, or deceased less than 12 months.
- * A Recovery Advocate who'll perform the steps necessary to recover your good name if identity theft strikes, no matter how it happens to you.
- * Help when you need it if your identity is compromised through theft, loss, or breach.

We're counting on all our accountholders to help us support this important group program in order to keep the price low; however, to participate, you need to activate your membership, which you may do at any time by completing the club information below.

You may choose to join the IDSafeChoice Program at any time prior to an identity theft event. Just notify any branch representative and sign the consent form below.
