

Park City Credit Union Helps with Tornado Recovery

Park City Credit Union wants to help put a rainbow at the end of the storm for those affected by the tornados in and around Merrill. In addition to providing cleanup materials, we're collecting monetary donations and non-perishable items at all Park City Credit Union locations.

Whether you're a member of Park City Credit Union, or not, we invite you to help. We're collecting items to aid in the cleanup process, such as work gloves and garbage bags, or you may drop off non-perishable food products, toiletries, or new clothing items. You can also help by making a monetary donation. All funds will be used by Park City Credit Union to purchase the items most needed by tornado victims, or assist in the cleanup efforts. Anyone making a donation valued at a dollar or more is encouraged to sign a rainbow of hope to decorate the credit union lobbies as donations come in.

Checks may be made payable to Park City CU/Tornado Relief. If sending by mail, please address the envelope to:

Park City CU/Tornado Relief
300 East 2nd Street
Merrill, WI 54452

Our thoughts and prayers are with all those who lost homes, jobs, or both due to the storms. Let's come together as a community, and create our own rainbow with a promise of full and quick recovery to all those affected by the tornados.
