Park City Credit Union to Open Branch at Church Mutual's Home Office

August 24, 2016

MERRILL, WISC. – Park City Credit Union and Church Mutual Insurance Company have partnered to open a branch office for Church Mutual's employees.

The branch, which will provide financial services beginning this fall, will be open from 11 a.m. to 1 p.m. three-days-a-week at the company's home office on Schuster Lane.

“We are very excited to partner with a company that shares the same dedication to community as we do,” said Val Mindak, President/CEO of Park City Credit Union. “This will be a full-service branch at the main corporate office, and we also will provide ATMs at both Church Mutual facilities in Merrill.”

Church Mutual employs more than 800 people at the company's home office and CM2 office at the Pine Ridge Center at the intersection of highways 64 and 51.

Church Mutual's leaders say opening a credit union branch is one way they can help employees simplify their lives.

"We recognize that our employees are stretched for time and we think a branch at home office will be a great convenience for them," said Angela Bailey, Vice President Human Resources. "This service fits in well with Church Mutual's desire to help attract and retain talent in central Wisconsin. And it is a great addition to our Total Rewards benefit package we offer our employees."
