## Credit Union Raises More than \$5,000 in Annual Fundraiser

**MERRILL, WISC.** – Park City Credit Union raised \$5,810 for the Children’s Miracle Network in addition to a large donation of stuffed animals. Making a difference in the lives of sick and injured children in the Northwoods area, this is the ninth year of the credit union’s Share-A-Bear fundraiser.

Every February, credit union members sponsor stuffed animals and proceeds go directly to the Marshfield Children’s Hospital. One of three CMN Hospitals in Wisconsin, the hospital offers a world class 24-bed pediatric unit and services dedicated to cancer care and treatments, trauma and injury prevention, pediatric and neonatal intensive care units, and birthing services.

“Our members have become more aware of how essential our Children’s Miracle Network Hospital is to our community,” said Park City CEO Val Mindak. “They are helping create more miracles for sick children in our neighborhoods.”
