

# Online Banking new to you?

*We're here to help!*

If you've never set up your online account, you'll need to contact us to get started.

## Here are the steps:

1. Call us at 715-536-8351 or chat us on our website letting us know you'd like to get started with online banking.
2. Our staff will ask you some questions to verify your identity. Be prepared to answer a few questions.
3. You'll then receive a temporary password and be asked to login with this password and your member number.

That's it!
