Park City Credit Union Reports Strong Finish to 2022, Sets Sights on Future Growth

MERRILL, WISC. — Park City Credit Union's annual meeting was held in April 2023 where members were informed about the credit union's successes in 2022 as well as its future plans.

The theme of this year's meeting and annual report are "our members are the heart of everything we do," as seen in the photo symbolizing the love and care the credit union has for its members. In the photo, employees can be seen holding ribbons representing the many individuals the credit union has assisted to make a positive impact in their lives, and the ribbons are interconnected to form a strong chain.

Park City Credit Union employees

Also at the meeting, the credit union donated \$500 to the Park City Cares Foundation, which supports the local communities financially through grant and scholarships as well as volunteer programs.

Park City Credit Union had a successful year in 2022, reporting total assets of \$329.1 million, representing a 2.75% growth in assets since 2021. The credit union serves 23,845 members and growing and has nearly 100 employees across four branches and ten communities.

Jack Mikunda, Park City Cares Foundation President, and Jim Richardson, Park City Credit Union Board Chair

CEO Val Mindak attributed the credit union's success to its dedication to its members and the communities it serves. "2022 was an amazing year for the credit union as we helped our members achieve their financial goals and worked to foster even stronger relationships with all of you. We've continued to make investments in technology to be able to meet you wherever you are, and whatever you may be doing so that banking with us is easy and enjoyable."

As the credit union looks to the future, it is committed to continuing to grow and expand its services, while maintaining its commitment to its members and the communities it serves.

Park City Credit Union is proud to be a supporter of each and every community it serves and is committed to helping its members achieve their financial goals. To that end, the credit union has made significant investments in technology to ensure that banking with them is easy and convenient.

###
